Agenda Item 3

SPORT AND PLAY COMMITTEE MEETING OF THE WITNEY TOWN COUNCIL

Held on Monday, 7 September 2020

At 6.00 pm in the Virtual Meeting Room via Zoom

Present:

Councillor V Gwatkin (Chair)

Councillors:	L Ashbourne T Ashby D Butterfield	L Duncan A Prosser R Smith
Officers:	Nicky Cayley Sharon Groth John Hickman	Democratic Services Officer Town Clerk Operations & Estates Officer
Others:	No members of the public.	

SP257 APOLOGIES FOR ABSENCE

An apology for her absence was received from Cllr Aitman.

SP258 DECLARATIONS OF INTEREST

There were no declarations of interest in matters to be discussed at the meeting.

SP259 MINUTES

The Committee received and considered the minutes of the meeting held on 22 June 2020.

There were no matters arising that were not covered elsewhere on the agenda.

RESOLVED: that the minutes of the meeting held on 22 June 2020 be agreed as a correct record and signed by the Chair.

SP260 **PUBLIC PARTICIPATION**

There were no members of the public wishing to speak under this item.

SP261 OPERATIONAL REPORT

The Committee received and considered the report of the Operations and Estates Officer.

A member asked why the outdoor gym at Oxlease Park was not open, as the play area was. The Operations and Estates Officer replied that it had only one entrance/exit point, the area was

relatively small and the equipment was close together. He agreed to look again at it with the Compliance and Environment Officer.

RESOLVED: that the report be noted and that the Operations and Estates Officer would have a further discussion about the outdoor gym at Oxlease park with the Compliance and Environment Officer to see if it might be possible to open it safely at this point in the pandemic.

SP262 SPORTS PITCHES - AVAILABILITY

The Committee discussed the subject of football training and agreed that 2 recreation grounds would be designated as training grounds and would not be chargeable. No training would be permitted on any grounds between 1st May and 1st July 2020.

Members also discussed the issues of bowling green maintenance and tasked the Operations and Estates officer with obtaining costs for maintenance and seeing if the clubs were prepared to hand over this maintenance.

The Committee discussed football pitch capacity and were very keen that the transfer of Wood Green school's pitches was pushed ahead. Members also requested that the ongoing dialogue with Henry Box School about the use of their sports field should continue.

RESOLVED:

- 1. that the report be noted;
- 2. that the cost of bowling green irrigation systems be researched and the Clubs be asked if they would be willing to hand over the maintenance of the greens to Witney Town Council and its grounds contractors- there would be an addition to the clubs' rents to offset the additional cost to the Council;
- 3. that the Operations and Estates Officer continues the dialogue with both Wood Green and Henry Box Schools in terms of access to their football pitches;
- 4. that no football training be permitted on any ground from 1st May 1st July to allow renovation works and rest and thereafter training only be allowed on King George V Field and Eton Close Play area with no charge.

SP263 FACILITIES AT WINDRUSH PLACE DEVELOPMENT

Members received and considered the report of the Town Clerk concerning forthcoming facilities at Windrush Place. She stressed that the current situation was beyond the control of the Officers as it was very much down to the District Council commissioning an underground survey to establish the utilities in situ, as well as the burying of the overhead cables. Once this was established then the exact extent of the adventure play area could be planned.

The Committee was committed to being able to have a say in what would form part of the adventure playground.

RESOLVED: that the report be noted.

SP264 FINANCE REPORT

The Committee received and considered the report of the Town Clerk. She advised members to start thinking about projects that they may wish to see added to the budget for next year as the next cycle of meetings would begin the budget setting process. Members put forward some ideas.

The Committee also agreed to contract out the cleaning of the Leys Recreation Ground toilets in order to allow them to open and provided a regular cleaning regime in lieu of COVID-19.

RECOMMENDED:

- 1. that the report be noted;
- 2. that the proposal for reopening the toilets at The Leys be agreed subject to the necessary staff consultation;
- 3. that capital/special revenue projects for the next year include Quarry Road and Eton Close Play areas, the recycling of the Splash Park water and picnic benches for Ralegh Crescent play area.

SP265 EXCLUSION OF PRESS AND PUBLIC

RESOLVED: that in accordance with section 1(2) of the Public Bodies (Admissions to Meetings) Act 1960, and as extended by Schedule 12A of the Local Government Act 1972, the public, including the press, be excluded from the meeting because of the confidential nature of the following business to be transacted.

SP266 PARK ROAD PLAY AREA

The Committee received and considered the confidential report of the Town Clerk.

RECOMMENDED: that the confidential report be noted and that a lease be negotiated.

SP267 WEST WITNEY SPORTS GROUND

The Committee received and considered the confidential report of the Operations and Estates Officer.

RECOMMENDED:

- 1. that the confidential report be noted;
- 2. that the recommendations as per the confidential minutes are approved.

SP268 WEST WITNEY SPORTS GROUND - PART 2

The Committee received and considered the confidential report of the Town Clerk.

RECOMMENDED:

- 1. that the confidential report be noted;
- 2. that the recommendations a per the confidential minutes be approved.

Agenda Item 5

SPORT AND PLAY COMMITTEE

Date:	Monday 2 November 2020
Title:	Operational Report: Progress on improvements and repairs since last meeting
Contact Officer:	Operations and Estates Officer - John Hickman

Background

The purpose of this report is to update Members on the progress of improvements and repairs carried out by the Councils own workforce and contractors, since the last meeting.

Play Areas

Play areas area still open and disinfection routine is continuing to be followed in respect of COVID-19 safety.

The works team have carried out most of the repairs required by the ROSPA and Zurich reports at the time of writing this report.

Football

Changing rooms for football remain closed under the current Covid 19 guidance, however toilet facilities within changing rooms are used.

Leys Toilets

The Leys toilets are now open and being cleaned 3 times daily and deep cleaned weekly by contractors.

End of Season Sports Pitch Renovations.

Current position with end of season pitch renovations at the time of writing this report,

- West Witney Cricket Scarified, Hollow cored, Seeded and dressed Complete
- The Leys Cricket Scarified, Hollow cored, Seeded and dressed Complete
- West Witney Bowls Scarified, Hollow cored and Seeded Topdressing left to do
- Town Bowls Scarified only

It is intended that the renovations should be complete by the time of this meeting weather permitting.

Splash Park

The splash park has now been de-commissioned for the winter.

Environmental impact

Having declared a Climate Change Emergency at its Council meeting on 26 June 2019 – with this in mind Councillors should have due regard to the environmental impact of any decisions they make with regard to its facilities and services it operates.

Risk

In decision making Councillors should give consideration to any risks to the Council and any action it can take to limit or negate its liability.

The Council Officers continue to keep under review the guidance and regulations relating to COVID-19 in order to safeguard staff and the public from contracting the virus.

Financial implications

There are no financial implications arising directly from the above.

Recommendations

Members are invited to note the report.

SPORT AND PLAY COMMITTEE

Date:	Monday 2 November 2020
Title:	Sports Pitches – irrigation systems
Contact Officer:	Operations and Estates Officer - John Hickman

Background

The purpose of this report is to update Members on situation relating to the Bowls Clubs irrigation system – further to last committee meeting (reference minute SP262 refers); and also consider the situation relating to the Cricket Square maintenance.

Cricket Square Irrigation.

Lack of water pressure at both West Witney and the Leys Cricket squares has again been a problem during last summer. The Leys has caused a real issue with getting sufficient water onto the square to maintain the wickets in a good condition.

The water pressure at the Leys seems to be getting lower every year and is now insufficient to be able to provide sufficient water to the square or give a reasonable and sufficient spray head from the sprinkler when used.

Contractors are struggling to maintain this wicket and have asked if the grey water from the splash park can be used to water the square from the grey water tank.

A pumping system would need to be fitted the Operations and Estates Officer would advise that a specialist Irrigation company is contacted as to what system etc. would be required in order to irrigate the cricket square sufficiently using the grey water from the grey water tank.

Bowls Green Irrigation Systems

The meeting of Witney Town Bowls green users has not taken place at the time of writing this report, however the Operations and Estates Officer should be able to provide an update regarding bowls clubs handing irrigation systems over to WTC.

A quote for annual service charge for the irrigations systems has been provided with the cost being £840 + Vat per year.

The Contractor that has quoted has already raised concerns regarding the mixture of large and small sprinkler heads on each of the bowls greens already, so council could expect that as well as some essential maintenance work initially there may be some cost associated to alterations to the systems to make them fit for purpose initially if the systems are handed to WTC.

Environmental impact

Having declared a Climate Change Emergency at its Council meeting on 26 June 2019 – with this in mind Councillors should have due regard to the environmental impact of any decisions they make with regard to its facilities and services it operates.

Fitting a grey water irrigation system to the cricket square using the Splash Park grey water would reduce the environmental impact of the Splash Park on water wastage.

Risk

In decision making Councillors should give consideration to any risks to the Council and any action it can take to limit or negate its liability.

Financial implications

A quote for annual service charge for the bowls irrigations systems has been provided with the cost being £840 + Vat per year.

Recommendations

Members are invited to note the report and consider the following:

- 1. that the Operations and Estates Officer into a Grey Water irrigation system for the Leys Cricket Square.
- 2. that subject to a verbal update from the Operations and Estates Officer from a meeting with the Bowls Clubs, the Bowls Green Irrigation Systems are transferred into the control and responsibility of the Council.

Agenda Item 7

SKATE PARK WORKING PARTY MEETING OF THE WITNEY TOWN COUNCIL

Held on Wednesday, 22 January 2020

At 4.00 pm in the Council Chamber, Town Hall

Present:

Councillor V Gwatkin (Chair)

Councillors:	T Ashby D Butterfield A D Harvey	A McMahon R Smith
Officers:	Nicky Cayley John Hickman	Democratic Services Officer Operations & Estates Officer
Others:	0 members of the public.	

SP1 ELECTION OF CHAIR

Cllr Gwatkin was elected as Chair for the meeting and it was agreed to defer the election of a permanent Chair to the one following.

SP2 APOLOGIES FOR ABSENCE

Apologies for their absence were received from Cllrs Aitman, Harvey and McMahon.

Cllr Butterfield was a substitute for Cllr Aitman but members wanted him to be co-opted as a permanent member of the Committee. Officer advised that this would need to go through Full Council.

SP3 DECLARATIONS OF INTEREST

There were no declarations of interest in matters to be discussed at the meeting.

SP4 MINUTES

The Working Party received and considered the minutes of the previous meeting held on 16 October 2017.

RECOMMENDED: that the minutes of the meeting held on 16 October 2017 be agreed and signed by the Chair.

SP5 **PUBLIC PARTICIPATION**

There were no members present for this item.

SP6 **REMIT AND TERMS OF REFERENCE**

Members considered the remit and terms of reference for the Skate Park Working Party from the previous Council. They were keen to focus on the wheeled sports area at the Destination Play Area at West Witney but the Operations and Estates Officer cautioned that they may be bound to certain constraints depending on the terms of the S106 money. It was decided that the Committee should see the S106 agreement before going too much further with a remit and terms of reference.

The members discussed the name of the working party and the fact that it was focused on the West Witney area and The Leys. There was a strong feeling that this should be widened to include all of the Town's play areas and also that the name of the Working Party should be amended to "Play Areas and Wheeled Sports Working Party". Officers advised that both of these items would need to be approved by Full Council.

RECOMMENDED:

- 1. to request the terms of the S106 agreement for the West Witney destination play area and a scaled map of the area from the Business Manager at WODC;
- 2. to bring back the remit and the terms of reference to the next meeting;
- 3. to change the remit of the Working Party to encompass all play areas and rename it as "Play Areas and Wheeled Sports Working Party".

SP7 SKATE PARK UPDATE AND REQUEST FROM WITNEY SKATE PARK ADVOCATES

Unfortunately, although invited, the representative from Witney Skate Park Advocates was not present.

Members felt that a consultation was key to getting things right and felt that perhaps an open drop-in session at the Coffee Shed would be beneficial.

Members agreed to work together on questions for an online consultation that could be circulated to schools, colleges, the scouts etc. The views could then be gathered together and be reviewed at the next meeting.

RECOMMENDED:

- 1. that members work together to formulate a survey which could be put onto Survey monkey, online with a link which could be sent to schools, the scouts etc, and put up onto a sign at The Leys;
- 2. to reply to Bertie Zimmerman and explain that the Council would do its own survey, and that it would invite him to come in at a later date;
- 3. that members could hold an open consultation at the Coffee Shed to gather views.

SP8 FREQUENCY OF MEETINGS AND DATE OF NEXT MEETING

Members felt that every 6 weeks would be a good frequency for meetings.

RECOMMENDED: that the Working Party meets again in about 6 weeks time.

The meeting closed at: 5.04 pm

SPORT AND PLAY COMMITTEE

Date:	Monday 2 November 2020
Title:	Third Party Events
Contact Officer:	Operations and Estates Officer - John Hickman

Background

The purpose of this report is to update Members on the situation relating to third party events held on Council owned land, as well new COVID-19 guidance on events from Oxfordshire County Council Safety Advisory Group.

Guidance

The Safety Advisory Group (SAG) has asked that it is notified about all events taking place within Oxfordshire and have offered to provide advice on any event or if there are any concerns regarding an event that is running within the Town.

SAG has also provided a Covid 19 Guidance Document that will need to be adhered to for any event/mass gathering of more than 30 people. Officers will be contacting each of the Council's regular events holders to see if they are considering running their events in 2021. Hirer's will be provided with copies of the Council's latest events policy and application pack along with the current Covid 19 guidance from SAG for they are considering running their events in 2021.

Witney Carnival 2021

At the request of the Rotary Club of Witney Officers will be meeting with representatives to discuss the 2021 Carnival.

Hatwells May Fair 2021

At this stage, an event application from Hatwell Funfairs for the May Fair 2021 is also anticipated.

Environmental impact

Having declared a Climate Change Emergency at its Council meeting on 26 June 2019 – with this in mind Councillors should have due regard to the environmental impact of any decisions they make with regard to its facilities and services it operates.

Risk

In decision making Councillors should give consideration to any risks to the Council and any action it can take to limit or negate its liability.

The Council Officers continue to keep under review the guidance and regulations relating to COVID-19 in order to safeguard staff and the public from contracting the virus.

Financial implications

There are no financial implications rising directly from this report

Recommendations

Members are invited to note the report and SAG guidance.

Oxfordshire County Council New Road Oxford OX1 1ND

Ansaf Azhar Director of Public Health

5 October 2020

For the attention of all Parish and Town Councils

Dear colleague,

We are writing to ask for your help in ensuring that local events are managed in a COVIDsafe way in order to suppress the spread of coronavirus in Oxfordshire.

As you will be aware, COVID-19 cases are rising rapidly across the country. Oxfordshire is mirroring this national trend: in the seven days up to 25 September, there were 128 new confirmed cases and the county is now at a yellow alert status.

The Government has recently announced a range of additional measures in an effort to suppress the virus. Some of these new restrictions affect events and gatherings. For example, the 'rule of six' prohibits people from gathering in a group of more than six, whether indoors or outdoors, unless covered by an exemption. Further information on social contact rules, social distancing and the exemptions that exist can be found in this Government guidance on meeting with others safely.

We understand the importance of local events in improving the wellbeing of residents and supporting the local economy. Where possible, we want to encourage these events to continue, provided they take place in a COVID-safe way.

In Oxfordshire the city and district councils each have a Safety Advisory Group, where multi-agency partners work together to review documentation and ensure event organisers run large events in a safe way. Smaller events which are run at a local level are not submitted to these groups, and so this is where we are asking for your help.

Please find attached to this letter a COVID-19 checklist, which our Safety Advisory Groups use with event organisers to ensure that large events are safe for those attending. Using this checklist helps identify any elements of an event that may need to be adapted or any issues that need to be addressed. We would be very grateful if you would provide a copy of this checklist to people who are organising events in your parish or town.

If you would like advice about an upcoming event you are planning, such as a fireworks display, Remembrance event or Christmas event, or if you have any concerns about an event that is running in your parish or town, then please do contact your local Safety Advisory Group at <u>ers@publicagroup.uk</u>. We would also be grateful if you would notify the Safety Advisory Group about local events that are planned so that we have a more detailed picture of events taking place across the district. By working together in this way, we can help our community to stay safe.

Should you require any additional advice, then please contact Oxfordshire County Council's Emergency Planning team at <u>emergencyplanning@oxfordshire.gov.uk</u>, who will do their best to assist you.

Thank you, once again, for your support and cooperation. We have seen significant increases in the spread of the virus across the UK in the past few weeks, and so your continued support in helping suppress the virus and reduce infection rates is of vital importance in the months ahead.

Yours faithfully,

,**-**_

	COMMENTS
REGULATIONS	
The event (gathering) organiser is complying with the Health Protection (Coronavirus, Restrictions) (No. 2) (England) Regulations 2020 and must demonstrate that:	
• The event (gathering) is being organised by a business, a charitable benevolent or philanthropic institution, a public body, or a political body	
• there is a risk assessment, including COVID-19, in line with regulation 3 of the Management of Health and Safety at Work Regulations 1999(1), whether or not they are subject to those Regulations	
 all reasonable measures to limit the risk of transmission of COVID-19 including following relevant government COVID-19 secure guidance, will be taken 	

RISK ASSESSMENT

The risk assessment identifies what activity or situations may cause transmission of COVID-19	
The risk assessment identifies the different groups and individuals that could be at risk of transmission of COVID-19 including:	
Staff	
Volunteers	
Suppliers/delivery drivers	
Performers	
Attendees – local, national, international	
Independent vendors	
The risk assessment includes how likely it is that someone could be exposed to COVID-19 and considers age, ethnicity, health	
status, and other factors that may give rise to increased risk of severe illness from COVID-19 for attendees, staff, volunteers,	
suppliers, performers, and that:	
 Where possible, they have acted to remove any activity or situation that is at risk of transmitting COVID-19 	
 Where not possible, they have controls in place to mitigate the risk of transmitting COVID-19 	
The risk assessment includes travel to and from the venue including impacts on local transport hubs and public transport	
The risk assessment includes the cumulative impact of other gatherings in the area at the same time or pre/post event (e.g.	
increase numbers in local food/drink outlets) where additional mitigation measures may be needed to reduce the risk of	
transmission of COVID-19

EVENT PLANS

EVENT PLANS	
The plan includes:	
site map	
duration of event	
 maximum capacity based on COVID secure measures including social distancing 	
 numbers of staff/volunteers to ensure COVID secure measures are maintained at all times 	
The plan demonstrates how SOCIAL DISTANCING will be maintained AT ALL TIMES between:	
• attendees who are from different households or support bubbles e.g. maximum capacity, zoning, circulation space, pinch	
points/congestion areas, entrances/exits, queues, toilets and wash stations, movement flows between areas, seating	
arrangements, popular activities./exhibits etc	
• attendees and staff and performers e.g. staff areas, performance areas, movement flow through attendee areas, ticket	
and security bag check areas,	
The plan shows how the contact details for ALL those present at the event will be recorded and stored for 21 days, to assist NHS	
Test and Trace with requests for the data if needed, and must:	
 include first name, surname, address including postcode, contact phone number or contact email, date (for multiday 	
events) at venue - for ALL attendees	
 include first name, surname, address including postcode, contact phone number or contact email, role, date (for 	
multiday events) at event - for ALL staff, volunteers, suppliers/delivery persons, performers, independent vendors	
demonstrate compliance with GDPR	
• consider when and how this data will be collected e.g. in advance (mandatory online, linked to ticket purchase), on site	
for those not completing in advance (entry denied until contact details provided)	
• consider additional data if systems allow e.g. time of arrival and departure, location on site (zoned areas, work stations,	
entrance gate numbers)	
The plan demonstrates how communication with attendees will be made for:	
 short notice cancellation in a way they would prevent large numbers of people 'crowding' near the venue site 	
 ensuring ALL attendees provide contact details to organiser to assist NHS Test and Trace e.g. under terms of booking 	
 providing POSTCODE OF VENUE to enable attendees to provide this to NHS Test and Trace should they become 	
symptomatic, to aid outbreak identification.	
• reminding attendees to wear face coverings when using public transport or in enclosed areas as per government	
guidance on face coverings	
 adherence to a code of behaviour i.e. not attending if they have symptoms and /or are self-isolating, maintaining social 	
distancing at the venue, hand hygiene and minimising spread of respiratory droplets e.g. under terms of booking	
 re-enforcing message that entry will be refused if displaying symptoms 	

maybe needed as identified through the hisk Assessment for the event.	
 providing information to attendees about risk factors that may make them more susceptible to serious illness from 	
COVID-19, so they can make an informed choice about their personal risk relating to their attendance	
 advising about the hand hygiene facilities on site 	
 minimising hand to hand transactions on site 	
 bringing as few items as possible to the event 	
The plan shows the COVID-19 safe ingress and egress from the venue and local area, and considers:	
 Travel routes e.g.one way routes between transport hubs and venue (the 'last mile' concept), avoiding peak public 	
transport times,	
Staggered entry / exit times	
Additional entrances / exits points to reduce congestion	
One-way entry / exit routes	
Markings and signage for social distancing	
Queue management including surrounding areas	
Sanitisers at entry / exit points	
Refusing entry to ALL those displaying symptoms – attendees, staff, volunteers, suppliers, delivery drivers, performers,	
independent vendors	
The plan limits the amount of hand to hand transactions during:	
 booking process e.g.in advance, online and phone 	
on entry e.g. ticket less	
 payment for goods/services on site e.g. pre-payment/card only/contactless 	
activities e.g. rides, shared equipment	
The plan shows the COVID-19 safe movement of ALL persons around the venue to maintain social distancing including:	
 one-way routes to and from on-site facilities e.g. toilets, wash stations, food and drink outlets, performance areas, 	
 markings and signage for social distancing 	
 use of barriers/screens/face coverings to protect staff/volunteers where social distancing can not be maintained 	
The plan caters for sufficient number of handwashing facilities and sanitiser points, at multiple locations (e.g. entrances/exits,	
food/drink areas, toilet areas, etc) including signage on good hand washing, to enable people to:	
 wash hands for at least 20 seconds 	
dry hands thoroughly	
dispose of used drying materials safely	
The plan shows how cleaning will be maintained prior, during (including multiday) and after the event; including cleaning regimes	
and waste disposal management for:	
high contact surfaces and equipment	
work areas	
barriers / screens

SPORT AND PLAY COMMITTEE

Date:	Monday 2 November 2020
Title:	Financial Report: (a) Revised Budget 2020/21 and Proposed Budget 2021/22
Contact Officer:	Town Clerk/RFO – Sharon Groth

Background

The purpose of this report is to present to Members the revised budget for 2020/21 and the first draft revenue budget for 2021/22 – in the attached document. Additionally, the Town Clerk/RFO will try to explain the key variances in the various budget lines within each cost centre for information so that members can try to understand how the accounts are formed, and why she has taken the action she has.

Recharge from Works Department and Central Support

In order to get a true cost of its services, the Council recharges the total cost of its Works Department (Cost Centre 601) and Central Support (Cost Centre 602) across it. For the Works Department this is done based on the weekly time sheets, and for the Central Support is based on the apportionment of responsibilities of the Officers.

It should be noted when reviewing the accounts that the recharge from the Works Department and Central Support are yet to be made in this financial year and therefore these accounts have been excluded from this summary. Only when the budget for both these departments have been agreed by the Policy, Governance & Finance Committee will the Town Clerk/RFO be in the position to calculate the revised recharges and the estimates for 2021/22.

Similarly with regard to the Grounds Maintenance Contract – [show as 4891- Agency Services Recharge] – Members will note that the present contract comes to an end 30 September 2021 and the Policy, Governance & Finance Committee have requested a root and branch review of this contract- so for the purposes of this report the current years figures have been retained in order to be able to make comparison on a like for like basis across the two years.

Members should also remember that with regard to patterns of income and expenditure, there will always be some variations over the course of the year and for that reason the Council works to annual budgets rather than monthly or quarterly.

Format of the Council's Base Revenue Budget

With regard to the Sport & Play budget, the Committee's services are divided into 12 base revenue cost centres, responsibilities as follows:

Cost Centre	<u>Area</u>	Description
201	Splashpark	This shows the expenditure relating to the Splashpark at the Leys Recreation Ground
202	The Leys Recreation Ground	This includes all income from sports/ground hire and expenditure relating to the management of the Leys including the adventure play area
203	West Witney Sports Ground	This includes all income from sports, and the various tenants, as well as the expenditure relating to the management of the site, including the Clubhouse
204	Burwell (QE2) Sports Ground	This includes all income from football and the cost of maintaining the recreation ground including the play area/MUGA
205	King George V/Newland	This includes income from football and the cost of maintaining the recreation ground including the play area
207	Moorland Rd Play Area	Cost of maintaining the play area
208	Wood Green Play Area	Cost of maintaining the play area
209	Eton Close Play Area	Cost of maintaining the play area and also the newly created Tiny Forest
210	Oxlease Play Area	Cost of maintaining the play area
211	Fieldmere Play Area	Cost of maintaining the play area
212	Quarry Rd Play Area	Cost of maintaining the play area
213	Ralegh Cres Play Area	Cost of maintaining the play area – in the ownership of WODC but currently negotiating the previously agreed 25-year lease

Budget Parameters – Draft Estimates 2021-22

Draft budgets are prepared on <u>current</u> activities and patterns of income and expenditure – in a normal year! Obviously COVID-19-19 has impacted on the generation of income from the Council's facilities significantly due to the lockdown earlier in the financial year, and continues to be affected due to government guidelines operating within COVID-19 safe measures. In some areas additional expenditure has also been incurred.

The format of this report is quite straightforward; the first two columns relate to the original budget from 2019/20 against the actual figures for last year. The middle section of three columns relate to the current years original budget, actual expenditure year to date, the projected budget to 31st of March 2021. The remaining section of the report relates to the draft budget for 2021/22.

The Committee's revenue budget growth items for 2021/22, and its capital/special revenue projects programme for 2021/22 and beyond are dealt with as a separate budget item.

Revenue Budget Summary

The Base Revenue Budget for this Committee is summarised on page one of the attached schedules.

In summary, income over expenditure has increased by £13600 if comparing the original estimate for 2020/21 with the draft budget for 2021/22.

As to be expected – income in the current year has been reduced by nearly 50% of that originally budget for, from ± 64031 to $\pm 32835 - a \pm 31196$ shortfall. Additionally, the estimates for next year in respect of income is ± 10605 less than the original budget for the current year.

In respect of expenditure, the Town Clerk has identified £22277 of savings in the revised budget for 2020/21, and has restricted increases in expenditure budgets by £2995 in 2021/22.

Cost Centre 201 The Splash Park

<u>4012 – Water Rates</u>. As would be expected the biggest running cost of the splashpad is the water rates. Obviously due to COVID-19 the splash pad has not been operational this year because of the government restrictions, however Castle Water the Council's water supplier submitted an estimated bill earlier in the year based on previous expenditure, before Officers could establish what the impact of the virus would be on this facility. Because utilities are paid by Direct Debit this invoice was paid accordingly.

Officers have submitted a metre reading and are waiting for a revised bill - any overpayment of water rates will therefore be carried forward and put against next year's usage.

The Compliance and Environmental Officer is currently looking into alternative water suppliers, and along with the Operations & Estates Officer is also looking into alternative uses for the wastewater – as mentioned in an earlier agenda item relating to the watering of the cricket wicket. This will be covered further under the capital and special revenue projects report at a later agenda item. For the time being the projected budget for the water rates for the current year is based on the actual expenditure. Next year's budget has been estimated at £12,000 but hopefully the Council may be able to make savings elsewhere by utilising the wastewater or looking into operating the splash pad via recycle system.

<u>4036 – Property Maintenance.</u> This budget line includes the cost payable to the Council's contractors for setting up the splash pad and decommissioning it at the end of the season. Prior to lockdown the splash pad was commissioned for use therefore the actual expenditure shows these costs. The Town Clerk has not reduced this budget in the current year and it is suggested that any underspend is utilised against greener measures of operating this facility in future in order to meet the Council's climate emergency objectives. Next year's budget has slightly been reduced based on previous years expenditure.

<u>4037 – Ground Maintenance</u>. This budget line was a revenue growth item agreed during last year's budget setting cycle in order to address the areas at the splash pad which become muddy and worn due to overuse. Obviously, this year has given the facility the opportunity to rest and grassed areas to become stronger. However, officers request that the £9000 is kept in the budget and ring fenced for grey water recycling or greener operating measures.

<u>4491 – Transfer to earmark reserves.</u> Current Council policy is to set aside 10% of the capital cost of the Leys Splashpad and Adventure Play Area over 10 years for its eventual replacement. The current earmarked reserve balance stands at £115,000. Given the significant cost of this facility officers suggest that this procedure continues in 2021/22.

<u>202 – The Leys recreation ground.</u>

<u>Sports Income codes 1020 – Football and 1021 – Cricket</u>. Income from sports is down due to COVID-19 as both football and cricket we're restricted during their respective seasons. The projected budget lines for the current year have been amended accordingly.

<u>1043 – Green Fees – WTBC.</u> With regard to the Councils tenants' Members will be aware several of the sports clubs requested discounts or their fees being waived due to the fact they were unable to open during the lockdown. The Town Clerk has retained the full fees in the current year's budget, any discounts or dispensation's given to the club will be reflected in a separate part of the Council's accounts so that the community support can be recorded accordingly.

<u>1051 – Ground Hire</u>. The original budget set at £18,520 included the charge for the hire of the Leys Recreation ground for Witney Feast as well as Hatwell's May Fair, Witney Music Festival and Libfest. Due to COVID none of these events were able to take place due to the government restrictions, strict safety measures, and the risk associated with mass gatherings and the transmission of the virus. As none of these events took place the Council has lost this income. With regard to the Music Festival and Libfest the ground rent is shown in the accounts but is subsidised under 4110/202 as a cost to the Council. The true loss of physical income is f8,520.

<u>4017- Contract Clean Waste</u>. This budget line has been increased to include the new contract for cleaning the public toilets on the Leys recreation ground as previously agreed by full Council. This is also included in next year's budget there is a substantial increase to this budget line.

<u>4036 – Property Maintenance</u>. This budget line has been reduced by £5000 in order to try to make some savings in the current year.

<u>4037 – Grounds Maintenance</u>. This budget line was agreed as a Revenue Growth item last year to make provision for Groundworks following the decompaction of the ground though its alternative use. This was agreed by full Council when designating the football side of the Leys Recreation Ground as an events field.

<u>4110 – Subsidised Letting</u>. As previously explained under <u>1051 – Ground Hire</u>, this budget line relates to the subsidy given two Witney Music festival and Libfest and is to cover the income which should be payable. As previously explained due to COVID-19 both events did not take place and therefore the budget line is not necessary in the current year. Provision has been made in next year's budget for the same amount in case these two events are able to take place and if the Council is so minded to subsidise them again then provision is there. Members may wish to consider whether this is necessary.

<u>4215 – Thames and Chilterns In-bloom</u>. Members may recall that the Stronger Communities Committee agreed that following a successful entry last year, the Leys be entered in 2021 if the competition runs. The Officers have therefore set aside £1000 - this will enable some changes to the site in order to refresh the Council's entry.

Cost Centre 203 West Witney Sports Ground

<u>Income</u>. As explained under cost centre 202 the same applies to the income relating to the sports facilities at West Witney Sports Ground.

With regard to <u>expenditure</u> – members should consider the contents of the Operations & Estates confidential report at the later agenda item regarding West Witney Sports Ground. Members may wish to set aside a bigger budget for property maintenance – because at this stage any incidental expenditure beyond this minimal budget comes from the Council's Earmarked Reserve for sports.

Cost centre 204 – Burwell QE 2 Sports Ground

<u>Income</u>. As previously reported income derived from football has significantly been reduced due to COVID-19.

<u>4036 – Property Maintenance</u>. This budget has been used to mend the floodlights at the MUGA. Members may wish to consider whether it is sufficient.

<u>4047 – Play Equipment Maintenance</u>. The original budget has been overspent due to various repairs needed to the play equipment the revised budget has therefore been increased. As this is a well utilised play area with some significant pieces of equipment next year's budget has been increased as well.

Cost Centre 205 – King George V/Newland

<u>4100 – Grant to Witney Mills Cricket Club</u>. The Town Council has supported Witney Mills Cricket Club by way of a grant for many years, as a contribution towards the upkeep of the grounds (previously it was maintained by the Council). Members originally agreed, under the powers of section 19 of the Local Government (Miscellaneous Provisions) Act 1976 that financial support should be given to this club year on year.

Although no formal application for the current year has been received from the club to date, it is assumed that it will be forthcoming in due course, and that Members would be happy to continue to provide support in this way at the same level.

Cost Centres - Various Play Areas

<u>4048 – Play Equipment - Engineering Inspection budget line.</u> The original budget was included in cost centre 202 amounting to £5000 however Zurich, the Council's insurance company, have been able to break this down across or play areas so that it is accounted for correctly. This did result in a slight underspend against the original budget.

Cost centre 209 Eaton Close play area

<u>4222 – Tiny Forest Expenses</u>. This is a new budget line in the current year offsetting a small amount of expenditure, a similar amount has been included for next year as a contingency.

Environmental impact

Having declared a Climate Change Emergency at its Council meeting on 26 June 2019 – with this in mind Councillors should have due regard to the environmental impact of any decisions they make with regard to its facilities and services it operates.

Fitting a grey water irrigation system to the cricket square using the Splash Park grey water would reduce the environmental impact of the Splash Park on water wastage. By reviewing the grounds maintenance contract this is enable the Council to take into consideration greener measurers in order to work towards it objective for carbon neutrality by 2028.

Risk

In decision making Councillors should give consideration to any risks to the Council and any action it can take to limit or negate its liability.

All the Council's Committees receive financial reports in order to carry out its checks and balances. The Town Clerk has approached the budget with prudence so as accurate budget as possible can be set.

The Council Officers continue to keep under review the guidance and regulations relating to COVID-19-19 in order to safeguard staff and the public from contracting the virus – this may result in additional unplanned expenditure.

Financial implications

This report forms part of the Council's mechanisms for budgetary control, as it enables income and expenditure incurred to be reviewed and to be compared with the Council's budgets.

Recommendations

Members are invited to note the report and consider the following:
- 1. if it is still the wish of Members for a grant to be paid to Witney Mills Cricket Club in the current financial year, and in 2021 that formal approval is given;
- 2. and that the revised base revenue budget for 2020/21 and the estimated base revenue budgets for 2021/22, as detailed in the draft estimates be approved subject to any further adjustments necessary.
