Importance: High

RE: CONSULTATION – A40 Bypass (Witney/South Leigh) Proposed ‘Access to Witney’ Traffic Improvements

We're asking for your views on the proposal to introduce a number of traffic measures in order to help facilitate the delivery of the 'Access to Witney' improvement scheme, which includes the construction of new west-facing slip roads at the A40/B4022 Shores Green junction. Specifically, these include:

a) new 60mph speed limits on the A40 Witney bypass (and various lengths on the ‘on’ & ‘off’ slip roads accessing the B4022 Oxford Hill & ‘Hill Farm Livery Yard’), b) new 40mph speed limits on adjoining roads, including the B4022 Oxford Hill, High Cogges Road, South Leigh Road, and various lengths on the ‘on’ & ‘off’ slip roads accessing the A40 Witney bypass, c) a new ‘No Entry’ restriction on the A40 Eastbound off-slip road at its junction with the B4022 Oxford Hill, and the South Leigh No Entry onto the A40 westbound off-slip will also be formalised, and d) ‘Clearway’ restrictions (stopping prohibited at all times) will be introduced on the new A40 Eastbound off-slip & Westbound on-slip roads servicing the B4022 Oxford Hill and access to South Leigh. In light of this please find the following consultation documents attached:

- Public Notice,
- Statement of Reasons,
- Consultation Plan(s),
- Draft Traffic Regulation Order(s).

The Access to Witney project seeks to improve access between Witney and the A40 as part of the Oxfordshire County Council Witney Transport Strategy, and further information on the wider scheme can be found [here](#).

The proposed Traffic Regulation Orders are scheduled to be advertised in the Witney Gazette newspaper today; Wednesday 22nd April 2026, and details are also available to view on the Councils consultation portal at the following link:

https://letstalk.oxfordshire.gov.uk/witney_a40_traffic2026

NOTICE is given that Oxfordshire County Council proposes to make the above orders under the Road Traffic Regulation Act 1984 and all other enabling powers. The effect of the orders – in support of the wider ‘A40 Access to Witney’ transport scheme – comprise of the following measures:

1. **60mph speed limits** (in place of existing National Speed Limits):
 - a. A40 Witney bypass – between a point 475 metres northeast of the eastern edge of the Stanton Harcourt Road overbridge & its junctions with the access to the ‘Hill Farm Livery Yard’.
 - b. Also, various lengths on the ‘on’ & ‘off’ slip roads accessing the B4022 Oxford Hill & ‘Hill Farm Livery Yard’.
2. **40mph speed limits** (in place of existing National Speed Limits):
 - a. B4022 Oxford Hill – between a point 35 metres east of its junction with Cogges Hill Road & its junction with South Leigh Road, also including various lengths on the ‘on’ & ‘off’ slip roads accessing the A40 Witney bypass.
 - b. High Cogges Road – for a distance of 46 metres from its junction with South Leigh Road,
 - c. South Leigh Road – between its junction with the B4022/A40 & a point 665 metres southeast of its junction with High Cogges Road (the South Leigh 20mph terminal point).
3. A new **No Entry restriction** will be introduced on the A40 Eastbound off-slip road at its junction with the B4022 Oxford Hill, preventing traffic from attempting to access the A40 from the B4022 at this location. The No Entry restriction currently signed at the foot of the westbound off-slip (South Leigh turn) preventing traffic entering towards Oxford will also be formalised.
4. New **Clearway** restrictions (‘Stopping prohibited at all times’) will also be introduced on the new A40 Eastbound off-slip & A40 Westbound on-slip roads, from their junctions with the B4022 Oxford Hill, south-westwards to the A40 dual carriageway.

The Oxfordshire County Council (Witney Area) (Speed Limits) Order 2024, and the Oxfordshire County Council (South Leigh Parish) (20 Mph Speed Limit) Order 2023 will be revoked/replaced/ as necessary, and the Oxfordshire County Council (West Oxfordshire - Various Roads) (Map Based) (Prohibition and Restriction of Waiting and Permitted Parking) Order 2025 will be further amended, updating Map Tiles: ‘EL38’ in the process.

Additionally – for administrative purposes – the existing Clearway restriction on the A40 dual-carriageway between a point 255 metres southeast of its junction with the B4020 at Burford, and a point 335 metres northeast of its junction with the access to the ‘Hill Farm Livery Yard’ (towards Barnard Gate) will be added to the Oxfordshire County Council (West Oxfordshire - Various Roads) (Map Based) (Prohibition and Restriction of Waiting and Permitted Parking) Order 2025, updating Map Tiles: EF15, EF16, EG16, EG17, EG18, EG19, EH19, EH20, EI20, EI21, EI22, EI41, EI42, EJ22, EJ23, EJ39, EJ40, EJ41, EK23, EK24, EK25, EK38, EK39, EL25, EL26, EL27, EL28, EL38, EM28, EM29, EM30, EM31, EM37, EM38, EN31, EN32, EN33, EN34, EN35, EN36, and EN37 in the process.

Documents giving more details of the proposals are available for public inspection online by visiting: <https://letstalk.oxfordshire.gov.uk> Hard copies may also be made available on request.

STATEMENT OF REASONS

The Access to Witney project seeks to improve access between Witney and the A40 as part of the Oxfordshire County Council Witney Transport Strategy, and the principal aims of the project are to:

- Give residents and drivers more choices, particularly those wanting to access the A40, and enable local and through traffic to access the A40 without needing to travel through the town centre or use the A40/Ducklington Lane junction,
- Reduce congestion and ³ improve air quality in central Witney, including on Bridge Street and in the Air Quality Management Area,
- Provide new walking and cycling paths and crossings facilities on the B4022 and alongside the A40 that will provide improved and safer connections between South Leigh, High Cogges and Witney and to the shared path along the A40 to Oxford, and
- support the delivery of planned housing growth in Witney as set out the West Oxfordshire Local Plan 2031.

This scheme includes the ongoing construction of new west-facing slip roads at the A40/B4022 Shores Green junction to improve access to Witney, and as a result, the County Council is proposing to introduce a number of traffic measures in order to help facilitate the delivery of the scheme and these include: a) new 60mph speed limit on the A40 Witney bypass (various lengths on the 'on' & 'off' slip roads accessing the B4022 Oxford Hill & 'Hill Farm Livery Yard'), b) new 40mph speed limits on adjoining roads, including the B4022 Oxford Hill, High Cogges Road, South Leigh Road, and various lengths on the 'on' & 'off' slip roads accessing the A40 Witney bypass; c) A new 'No Entry' restriction will be introduced on the A40 Eastbound off-slip road at its junction with the B4022 Oxford Hill, and the South Leigh No Entry onto the A40 westbound off-slip also formalised; d) Also extending 'Clearway' restrictions (stopping prohibited at all times) introduced on the new A40 Eastbound off-slip & Westbound on-slip roads servicing the B4022 Oxford Hill and access to South Leigh.

Additionally – for administrative & management purposes, as well as to facilitate effective enforcement – the existing Clearway restriction on the A40 dual-carriageway between Burford & Barnard Gate will be added to the map-based TRO.

The County Council continues its responsibility to consider the provision of convenient and safe movement of motor vehicles and other traffic, and the proposed measures are aimed at ensuring that ¹ danger is minimised whilst ² facilitating the effective and safe passage of traffic with speed limits appropriate to the environment and driving conditions.
