

Oxfordshire County Council Infrastructure Locality Team Update to Witney TAC

March 2023

Infrastructure Locality Team Update – contact Natalie Moore

1. Windrush Bike Project Barriers Report

Work on the Barriers Report is currently on hold. A Countywide approach to barriers is in development and will supersede the Windrush Bike Project Barriers work. The Countywide project is currently with OCC officers in both the Active Travel, and Traffic and Road Safety Teams, with plans for a workshop event to take place shortly.

2. Windrush Place S106 West Witney – Active Travel Schemes

Verbal update to be provided at the TAC Meeting

3. Witney Local Cycling and Walking Infrastructure Plan (LCWIP)

Consultation on the Witney LCWIP has been completed, and the plan will be taken to the County Council's CMD on Thursday 23rd March for adoption.

4. A40/B4022 Shores Green, Access to Witney

Verbal update to be provided at the TAC Meeting

Please direct any queries to a40corridor@oxfordshire.gov.uk.

Please see webpage [A40 Access to Witney | Oxfordshire County Council](#)

5. Bridge Street Area Options Appraisal Report

Verbal update to be provided at the TAC Meeting

6. Low Traffic Neighbourhood (LTN) - Burwell Meadow

Automatic Number Plate Recognition survey data analysis has been reallocated to another officer due to work pressures and staff resource issues. The analysis is scheduled to take place at the beginning of May.

7. High Street and Market Square Active Travel 3

Verbal update to be provided at the TAC Meeting

8. High Street and Market Square – Short Term Measures

Verbal update to be provided at the TAC Meeting
