Title: NALC Model Financial Regulations

Contact Officer: Responsible Financial Officer

Background

The council has adopted Financial Regulations to regulate and control financial affairs and accounting procedures to assist compliance with the Accounts and Audit Regulations 2015 and to reflect the guidance and good practice detailed in the “Joint Panel on Accountability and Governance Practitioners’ Guide” (March 2022). The Council’s Financial Regulations are based on the 2019 Model Financial Regulations for England and Wales published by the National Association of Local Councils (NALC).

The NALC is working with The Parkinson Partnership LLP to update its 2019 Model Financial Regulations.

Current Situation

The model financial regulations are part of a support package that the Council receives through its membership of NALC and the Oxfordshire Association of Local Councils. They are an essential tool for councils, setting out the framework within which the council ensures responsible, sustainable and compliant management of its finances.

NALC is seeking views on the technical aspects of the regulations. The responses will inform the revision and content of the model financial regulations.

According to the NALC website:

NALC is seeking views on the technical aspects of the regulations. The responses will inform the revision and content of these regulations. The consultation will not result in any changes to existing legislation.

NALC would like to know:

- 1. Is the description of budget preparation (Section 3) adequate, and if not, what changes should be made?*
- 2. How should we improve the wording (Section 4) about expenditure monitoring?*
- 3. What changes are needed to manage safe and satisfactory delegation of authority to staff (Section 5)?*
- 4. Suggestions for amendments to improve control of online payments and banking (Sections 5 and 6)?*
- 5. What revisions are needed to manage procurement (Sections 10,11 and 12) effectively?*
- 6. What additional regulations may be necessary concerning financial risk management (Section 17)?*

7. Which regulations create challenges for transparency or protecting personal and commercially sensitive data?
8. What, if anything, should be removed from the model regulations and why?
9. Which paragraphs, if any, are obsolete and need replacing?
10. Are there any other issues that should be covered within financial regulations?

NALC have published a form to assist in responding to the consultation and this is included as appendix A.

The existing Model Financial Regulations are included as appendix B.

The RFO will be attending a consultation meeting in October, this taking place prior to the consultation closing date of 5 November 2023.

The Council regularly reviews its Financial Regulations, the last review being in April 2023. A number of changes to the Council's Financial Regulation were made and relevant to the NALC consultation are the following changes and some of these may be pertinent to the consultation:

- To reflect the council's current good practice.
- To reflect the council's status as a larger town council which gives it the resilience to properly delegate powers to officers and enable the council to concentrate on strategic rather than operational matters.
- To make provisions for powers to be exercised by other officers if required in the absence of the Town Clerk (powers exercisable by the Deputy Town Clerk) or RFO (powers exercisable by the Town Clerk).
- Further updates to allow for the efficient introduction of internet banking.
- Removal of some references which are not required/ tautologous.
- To allow for the council to delegate powers to committees to manage specific earmarked reserves, to reduce administrative burden whilst maintaining proper controls.

To take this forward the RFO requests:

- (i) Comments from Members to be made at this meeting and any further comments by e-mail to sharon.groth@witney-tc.gov.uk and nigel.warner@witney-tc.gov.uk by midday on 20 October 2023.
- (ii) A delegation to the Town Clerk/Chief Executive and the RFO to respond to the consultation on behalf of Council, if appropriate.

Environmental impact

Having declared a Climate Change Emergency at its Council meeting on 26 June 2019 Councillors should have due regard to the environmental impact of any decisions they make with regard to its facilities and services it operates.

Risk

In decision making Councillors should give consideration to any risks to the Council and any action it can take to limit or negate its liability.

All the Council's Committees receive financial reports to conduct its checks and balances and consideration is given to budgets and funding availability when agreeing expenditure.

Financial implication

Financial Regulations are an integral part of the Council's financial operations and control system. However there are no direct financial implications for the Council in responding to the consultation but there will be a requirement for officer time to undertake the work.

Recommendations

Members are invited to note the report and delegate authority to the Town Clerk/Chief Executive and the RFO to respond to the consultation on behalf of Council, they consider this to be appropriate, taking in to account any comments from Members either at this meeting or by e-mail by midday on 20 October 2023.
