Organiser: Ethos Consultants Ltd
Attendees: Parish / Town Councils

Welcome & Introductions

Introduction to Ethos, and Parish / Town Councils on the call

Notes:

.....
.....

Safer Roads Stronger Communities Overview

What this initiative is all about and we hope it will achieve both locally and nationally.

Notes:

.....
.....

What can we mean by road safety?

Road safety has a broad meaning. What can we realistically achieve within your local community?

Notes:

.....
.....

Empowering Parish & Town Councils

Arguably Parish & Town Councils have more power than ever before. How does this initiative support you fulfil this responsibility effectively.

ETHOS

Our experience working with local communities

Ethos have extensive experience working within local communities. This will be summarised here.

Notes:

Processes & Timescales

What is the most effective process to follow to achieve success, and what are the timescales involved in each of the key phases?

Notes:

Case study

Opportunity to outline a best practice example to justify why our process is proven to be effective at resolving road safety in local communities.

Notes:

Parish & Town Council Questions

Ethos will answer any questions you have on the Safer Roads Stronger Communities initiative or about road safety more broadly.

Notes:

How to get involved?

Presentation will conclude with guidance on how you can get involved in the initiative. This will include our contact details.
