**Subject:** Re: Be Free Young Carers Grant Application to Witney Town Council

Dear Adam,

I hope this message finds you well. Thank you and Witney Town Council for the generous grant awarded to us for our Oxford expansion. Your support and belief in the charity means the world to us. We really appreciate your recommendations on our next steps with our expansion.

If possible we were hoping that the contact details of James the operations manager who attend the meeting. Could be passed on to the head teacher who was in attendance so we can start to make initial contact.

Thank you once again for your support. We look forward to keeping you updated on our progress and sharing our successes with you.

Best wishes,  
Hannah
