Hi

Many thanks for getting back me

Many of our group are from Witney and the surrounding areas offering support to parents and carers of children with additional needs

Our Facebook group is Positive Measure and has approx 180 members from this area and Support around this area is extremely important for parents/carers who feel so isolated

The money would be put towards the fees for using the church hall to hold the Monday evening group sessions

We are a parent run group and are not registered as such I do hold an account named as positive measure and can forward a screen shot of the details that we use for all payments etc

Please let me know if this helps

Best wishes

Tabitha x
