

## Section 3 - External Auditor Report and Certificate 2023/24

In respect of

Witney Town Council

### 1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

### 2 External auditor limited assurance opinion 2023/24

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The inspection period for the exercise of electors' rights was set for 31 working days which is more than the mandatory 30 working days as set out in the Accounts and Audit Regulations 2015, Paragraph 14(1). Although this is considered to be a minor technical breach, given more than the standard amount of time was provided for, in future the Council should ensure it provides the precise public inspection period. We would anticipate the Council taking this into account when it completes Assertion 4 on its 2024/25 Annual Governance and Accountability Return.

This same point was also raised in our report for 2022/23. As a result, the Council should have provided a 'No' response to Assertion 4 of Section 1 of the Annual Governance and Accountability Return which relates to how the Notice of Public Rights was advertised within the financial year 2023-24. This is because this relates to the Notice announcing the public right to review the 2022-23 return which was published during 2023-24. As the same breach of regulation has occurred in respect of the 2023-24 return the Council should also have answered 'No' to Assertion 7 of Section 1 of the Annual Governance and Accountability Return which relates to taking appropriate action on matters reported from internal and external audit.

Other matters not affecting our opinion which we draw to the attention of the authority:

Incomplete information was initially received with regards to level of reserves. The parish council should in future ensure that all information requested is provided in the initial submission.

Last year the External Audit Report noted that the Notice of Public Rights period was for a duration of 31 days which didn't meet the 30 day requirement. Therefore, we expected a 'No' response to control objective M on the Annual Internal Audit Report.
