

## WITNEY TRAFFIC ADVISORY COMMITTEE

---

**Date:** Tuesday, 21 January 2025

**Title:** Community Speedwatch Update

**Contact Officer:** Deputy Town Clerk, Witney Town Council

---

### Background

Members will be aware Witney Town Council administers the voluntary Community Speedwatch scheme on behalf of this Committee. This report is provided to update Members.

### Current Situation

- There are currently six active volunteers for this scheme (four are awaiting speed device training).
- There are seven active site locations agreed by TVP for Speedwatch surveys/monitoring. Since the last meeting, a further two sites have been requested at Welch Way and Corn Street based on feedback provided to the Chair of the Committee.
- One session has been held since the last meeting. This were held at:
  - Curbridge Road (outside Miller's Grange Care Home) on 1<sup>st</sup> November 2024

Unfortunately, it was not possible to hold a session in December due to volunteer's commitments, but a session is tentatively scheduled for 28<sup>th</sup> January. Members may like to consider appointing a further Group Co-ordinator to help facilitate further sessions (a Group Co-ordinator must always be present).

The attached **Appendix A** is a report from the TVP Community Speedwatch portal on the session listed above. Members will note the accuracy rate for information taken for the November session was 94% - an increase on previous results.

Also attached is the most recent TVP Community Speedwatch newsletter for information.

### Recommendations

Members are invited to note the report and;

1. Consider the appointment of a further Group Administrator; delegation to the Chair may be appropriate to ascertain who is able and willing to take on this task.
