Dear Adam,

All our volunteers at Witney Food Revolution would like to thank you and your team at Witney Town Council for your very kind and generous Christmas Treat Fund donation of £250. We were extremely grateful to receive this money as we will be able to use it to buy treats for individuals and families who visit us both at the fridge and the larder.

Many of our visitors, especially those with young children struggle at this time of year, so this money will be very useful to help them with little treats, which they would otherwise have to do without. I am sure that these treats will bring joy and smiles to many within our small and close-knit community.

Christmas is a special time of year and to provide surprise treats, to make it a pleasant and joyful experience is a truly wonderful thing.

We, both volunteers and visitors at Witney Food Revolution, are extremely grateful to be chosen as one of your beneficiaries.

Thank you  
Kindest regards,

*Witney Food Revolution is a volunteer-powered Community Action Group founded on the belief that everyone deserves access to fresh, nutritious food, while minimising food waste. We run a community fridge and larder where everyone is welcome. Last year we distributed just under 110 tonnes of surplus food to about 24,000 people in our community.
