PR265 **WITNEY BASKETBALL**

With the permission of the Chair, this item was moved up the agenda so the members of public could hear the discussion and outcome.

The Committee received and considered the report of the Deputy Town Clerk as to the current position of the provision for Basketball in Witney. Members had earlier heard from the members of the Witney Wolves Basketball Club of their own lived experiences.

It was clear to the Committee that the available basketball facilities were either of poor standard or non-existent, with particular issues around access to an acceptable indoor court, notably Windrush Leisure Centre. This resulted in the club currently having to play at Carterton leisure centre which came at a significant higher hire cost as their regular indoor court at Wood Green School was unavailable at times for example at exam periods. The Club had also had to host games and training sessions across multiple locations to satisfy the desire of their 60-80 players.

The Town Clerk confirmed that following an earlier exploratory meeting with the club held in April 2025, the Town Council had passed information to West Oxfordshire District Council (WODC), the club thanked the Town Council for this and reported that WODC had been in contact and a time to meet was being arranged.

Members also discussed the various ways it could help raise the profile and assistance to help improve the facilities, including the court, colloquially known as "The Cage" situated behind the Oxfordshire County Council Family Centre on Witan Way, which provided a centrally located outdoor court. It was thought that this area was owned and under the responsibility of OCC however attempts by the club to enter discussions had failed. It was agreed that Officers would look to obtain confirmation and enter discussions as to the potential for improvement to be made.

Other ideas to provide support were to consider the inclusion of basketball courts/hoops in the design of multi-use games areas, financial support for summer holiday youth sessions, integration with The Station detached youth provision, collaborations with Witney Hockey Club and use of the WODC Spacehive fundraising scheme.

Recommended:

1. That, the report be noted and,

2. That, Officers establish the ownership of the outdoor court on Witan Way and,
3. That, Officers explore options to support the promotion and improve the provision of Basketball in Witney.

The HE&O explained that the table of costs was comprehensive however, as noted in the report, it did not include costs of equipment along with the proportion of costs that was spent during the football season. These cost calculations would continue to be worked on, and updated versions covering all costings would be made available to Members which would cover both Cricket and Football.

Oxfordshire Cricket Board had confirmed ongoing interest in reintroducing cricket at The Leys. This included a renewed expression of interest from Henry Box school in using a proposed artificial pitch on the field adjacent to their premises, and general support from the OCB for facilitating cricket activities—including All Stars and women's sessions—once construction works at Courtside are completed. The OCB had emphasised that, due to the ongoing construction and the lack of available changing facilities, it had not been feasible to resume cricket activities during the current summer season.

The Leys Masterplan

Members were concerned to hear of a further delay to the delivery of the renovations and the proposed period of closure of the Skatepark however, they appreciated Officers actions to ensure that Courtside Hubs continued to provide regular clear communication and updates.

The Committee welcomed that the Splashpark was to be delivered ahead of time as had the skatepark, further adding to their confidence in the new operations and projects team. Members remarked on the positive comments they had received from residents who had closely watched the progress and looked forward to the official opening by the Mayor prior to the half term school holidays.

Raleigh Crescent Multi Use Games Area (MUGA)

Members received an illustration which depicted the potential for the new MUGA and were reminded of the need for confidentiality due to the commercial sensitivity of the document.

They heard progress had been slower than Officers would like to have seen, due to the number of projects West Oxfordshire District Council had in flight. Officers explained that due to the Section 106 funds held by WODC, it had to be included in the tender process however, it was thought that once the tender was awarded it could move with more pace under the project management of the Town Council.

West Witney – Portaloo

The Town Clerk/CEO provided an update on the grant made by the Council to facilitate the use of toilets within the West Witney Sports & Social Club by parkrun.
