C WTC/027/25 District COMMENT	Approved	87 MOORLAND ROAD Local COMMENT Witney Town Council objects to this application. This proposal is not compliant with Policy OS2 in that it would involve the loss of a prominent and highly visible pocket of open space that makes an important contribution to the visual character and appearance of the area. Witney Town Council values all open spaces and amenity lands across Witney. These areas, regardless of size or location contribute to the visible, recreational, and biodiverse landscape across the town. Grass areas in particular aid drainage and help mitigate against surface water flooding.

C WTC/096/25 District COMMENT	Approved	WINDRUSH INN, BURFORD ROAD Local COMMENT Witney Town Council objects to this application. While Members welcome the provision of family-friendly play facilities, they are concerned about the impact on neighbouring residential amenity, particularly in terms of loss of privacy and noise, as highlighted by residents. The application conflicts with Policy OS4 of the West Oxfordshire Local Plan, which states that development should not harm the use or enjoyment of nearby land and buildings, including the living conditions of residential properties. Members are also concerned about the retrospective nature of the application and request that Officers consider whether a more suitable location could be identified, further from neighbouring boundaries.
