RE: CONSULTATION – Various Roads (Cherwell & West) - Proposed Disabled Persons Parking Places (February 2026)

We are writing to seek your views on the proposals to provide additional 'Disabled Persons Parking Places' (and also remove ones no longer required) at various locations throughout the Cherwell and West districts of Oxfordshire. The proposals are being put forward in response to increased local demand for parking, specifically for those with a permanent and substantial disability such that walking is not possible or presents very considerable difficulty for distances more than 100m. In light of this, please find the following consultation documents attached:

- Public Notice,
- Statement of Reasons,
- Draft Traffic Regulation Orders,
- **Consultation Plans** *are available to view on the consultation page detailed below.*

The proposed Traffic Regulation Orders are scheduled to be advertised in the Banbury Guardian and Bicester Advertiser newspapers today; Thursday 5th February 2026. Details are also available to view on the Councils consultation portal at the following link:

As stated on the notice, any objections or other representations on the proposals should be submitted by **Friday 6th March 2026**.

Kind Regards
