Section 18 of 21

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

At CUP OF LOVE, we are fully committed to upholding and promoting all four licensing objectives through the following operational steps:

Step 1: Provide comprehensive induction training for all staff members regarding the statutory licensing objectives

Step 2: Conduct ongoing and detailed risk assessment to proactively identify, manage, and mitigate potential hazards related to responsible alcohol service, guest management and general health and safety within the cafe.

Step 3: Ensure active oversight of the premises at all times by well-trained personnel equipped to managed incidents calmly, maintain safety, and deter any unlawful behavior.

Step 4: Implement and enforce clear Standard Operating Procedures for all daily cafe operations, licensed activities, and emergency protocols.

Step 5: Maintain regular updates on relevant local authority guidance and national legislative changes to ensure our business practices always remain fully compliant with current regulations.

b) The prevention of crime and disorder

To effectively promote the prevention of crime and disorder the strategy will begin with comprehensive security risk assessment tailored to our coffee shop layout and operating hours allowing potential disruptive behavior to be identified and mitigated early. Safeguarding the premises, a high-definition CCTV surveillance system will monitor key internal areas and external access point; footage will be recorded continuously, stored securely for at least 31 days , and made available to Thames Valley Police upon request.

Staff will play a central role in maintaining a safe environment . Team members will learn to recognize early signs of intoxication ,conflict, and anti-social conduct, applying formal de-escalation protocols and reporting significant incidents to local authorities when necessary. Additionally, staff will be trained to verify photo identification and detect fake IDs. This rigorous approach will underpin the enforcement of a strict Challenge 25 policy, which, combined with a routinely maintained incident and refusal logbook , will ensure alcohol sales remain tightly controlled and fully compliant with legal standards.

c) Public safety

To promote Public Safety :

-All fire protection systems- including alarms ,fire extinguishers , and emergency escape hardware -will undergo routine professional servicing, testing, and maintenance. We will maintain an ongoing schedule to guarantee that every system remains fully operational and compliant with safety codes.

-We will strictly manage our physical footprint to ensure guest comfort and prevent overcrowding at ll times. The maximum capacity will be carefully calculated and enforced, particularly during peak operating hours, to maintain clear footfall and safe movement throughout the cafe.

-Our team will undergo comprehensive training on emergency response and evacuation protocols. At least one certified first aider will be on duty during all operational hours, fully equipped with up-to-date and easily accessible first aid kit.

-To facilitate safe passage during an emergency,all designed escape routes and emergency exits will be kept completely clear of furniture, inventory, or any temporary obstructions. Illuminated exit signage and emergency lighting system will be maintained and routinely checked to ensure full visibility.

-Food hygiene standards will be followed according to EHO recruitments.

d) The prevention of public nuisance

CUP OF LOVE operates primarily as a cafe. Alcohol sales will remain ancillary to the main food and coffee shop offering.

-Noise levels will be regularly monitored by staff to ensure sound is contained within the premise boundary. Doors and windows will remain closed during late hours.

-No customers will be permitted to take drinks outside after 22:00. Clear signage will be prominently displayed at exit requesting that guests respect neighboring residents and leave quietly.

Continued from previous page...

-Disposal of glass bottles ,waste, and recycling into external bins will strictly take place between 08:00 and 20:00 to prevent disturbance during anti-social hours.
-All ventilation, extraction, and odour control equipment will be regularly services, maintained, and operated in accordance with manufacturer guidelines to prevent nuisance.

e) The protection of children from harm

To safeguard children from harm at CUP OF LOVE, we are committed to maintaining a safe, welcoming, and family-friendly environment at all times. The cafe will operate Challenge 25 policy,requiring valid photographic identification-such as a passport ,photocard driving licence, or PASS -approved card from anyone who appears under 25 before alcohol is served. Our team will receive comprehensive , regularly updated training to prevent underage sales, tackle proxy purchasing, and recognize signs of intoxication, with all records maintained in a on-site log. During high- isk times, evenings,or family-focused activities, we will actively manage access, establish designed child-friendly spaces , and enforce rigorous safeguarding measures to ensure young visitors are protected from exposure to excessive alcohol consumption or inappropriate behavior.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].

- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
