

RE: CONSULTATION – [REDACTED] Corn Street and Newland (Witney) - Proposed Bus Stop Kerbed Build-outs

We are writing to seek your views on the proposal to construct bus stop improvement features in the form of kerbed buildouts. The proposals seek to improve pedestrian safety for vulnerable bus users, ensuring that there is a safe pick up and drop off point. Specifically, the proposals include introducing kerbed build-outs at the following locations: a) [REDACTED], b) Corn Street, Witney on the north side of the carriageway 36 metres west of its junction with Holloway Road and on the south side of the carriageway 36 metres east of its junction with The Crofts, and c) Newland, Witney on the southwest side of the carriageway approx. 56 metres southeast of its junction with Compton Way.

In light of this, please find the following consultation documents attached:

- Public Notice,
- General Layout Plans.

Details are also available to view on the Councils consultation pages at the address below:
