

Dear Mrs Groth

Re: Witney Mills Cricket Ground

Many thanks for your letter of 30 November 2020 and grant award of £500 (cheque dated 9 December 2020), just received.

We have always very much appreciated the Town Council's support – and we particularly appreciate it in this difficult year, knowing the pressure that exists on your resources.

It is great that the Town Council remains committed to supporting grassroots sport and recreation in the town. I try to make sure that our members are aware of the support we receive.

Many thanks again.

Best wishes for 2021.

Yours,

Andrew.
