Subject: Sewage, Flooding & Water issues in your parish

Dear Parish/Town Councils and Parish Meetings

CPRE Oxfordshire is currently campaigning for the water-related impacts of new development to be properly considered, and an end to the practice of discharging untreated sewage into our rivers. We are aware that many Oxfordshire parishes are struggling with issues including flooding and water pollution, but no-one seems to have a complete picture of the problems and we would like to map out the issues. To help us in planning our campaign strategy we would be extremely grateful if you could take a few minutes to complete this questionnaire (less than 20 questions, mostly multiple choice), save it with your Parish Council name and **return it by 31st May 2021**.

A hard copy of the questionnaire is available on request.

Kind regards

CPRE Oxfordshire
