

20/03281/FUL – 87 Corn Street – Amended Plans

Re-consultation for planning application 20/03281/FUL, 87 Corn Street, Witney.

Demolition of existing workshop and storage units and erection of eight new dwellings. (Amended Plans)

***Agent's comments***

*Cycle storage provision was greatly increased, we are happy to confirm that all car parking will have electric charging points, and we are certain that all properties will be served by air source heat pumps on this development so it will certainly have the green credentials.*
