

Life Education
Wessex & Thames Valley
Helping children make healthy choices

22 April 2021

Adam Clapton
Deputy Town Clerk
Witney Town Council
Town Hall
Market Square
Witney
OX28 6AF

Dear Adam,

Thank you from Life Education

We are writing to thank **Witney Town Council** for the grant of **£300** towards the cost of delivering early intervention health and wellbeing education for children at **Madley Brook Primary School**. This support will make a real difference to our work and which is so important in the current climate.

Life Education Wessex & Thames Valley aim to give every primary aged child in Thames Valley, Somerset, Dorset, Devon, and Hampshire the opportunity to benefit from our programme of health and drug prevention education and equip them with the knowledge, skills and confidence to make healthy choices and to lead healthier lives. Your contribution is helping us to continue this valuable work.

Research shows that children's health and emotional well-being are strongly linked to academic and social success. We want every child to be healthy, happy and achieve their best – no matter what their background.

Many thanks for your kind donation and valued support of local children and families who will benefit.

Yours sincerely
