Town and Country Planning Act

NOTICE OF DECISION

West Oxfordshire District Council, as Local Planning Authority, hereby **approves** the application, as outlined below.

Proposed: Erection of a semi-detached dwelling with associated parking and access

At: 59 Colwell Drive Witney Oxfordshire OX28 5NJ

For: Mr Kris Sroka

CONDITIONS:

- 1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

REASON: To comply with the requirements of Section 91 of the Town & Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act, 2004.

- 2 That the development be carried out in accordance with the approved plans listed below.

REASON: For the avoidance of doubt as to what is permitted.

- 3 The development shall be constructed with the materials specified in the application.

REASON: To ensure that the development is in keeping with the locality and for the avoidance of doubt as to what is permitted.

- 4 The car parking areas (including where appropriate the marking out of parking spaces) shown on the approved plans shall be constructed before occupation of the development and thereafter retained and used for no other purpose.

REASON: To ensure that adequate car parking facilities are provided in the interests of road safety.

- 5 The means of access between the land and the highway shall be constructed, laid out, surfaced, lit and drained in accordance with details that have first been submitted to and approved in writing by the Local Planning Authority and all ancillary works therein specified shall be undertaken in accordance with the said specification before first occupation of the dwellings hereby approved.

REASON: To ensure a safe and adequate access.

- 6 That, prior to the commencement of development, a full surface water drainage scheme shall be submitted to and approved in writing by the Local Planning Authority. The scheme shall include details of the size, position and construction of the drainage scheme, finished floor levels and results of soakage tests carried out at the site to demonstrate the infiltration rate. Three tests should be carried out for each soakage pit as per BRE 365, with the lowest infiltration rate (expressed in m/s) used for design. The development shall be carried out in accordance with the approved details prior to the first occupation of the development hereby approved.

REASON: To ensure the proper provision for surface water drainage and/ or to ensure flooding is not exacerbated in the locality (National Planning Policy Framework, The West Oxfordshire Strategic Flood Risk Assessment and Planning Practice Guidance). If the surface water design is not agreed before works commence it could result in abortive works being carried out on site or additional works being required to ensure flooding does not result, which may result in changes to the approved site layout being required.

- 7 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and re-enacting that Order with or without modification), no development permitted under Schedule 2, Part 1, Classes A, B, C, and E shall be carried out other than that expressly authorised by this permission.

REASON: Control is needed protect the residential amenities of existing occupiers and to avoid overdevelopment o the site.

- 8 No dwelling shall be occupied until a plan indicating the positions, design, materials, type and timing of provision of boundary treatment to be erected has been agreed in writing by the Local Planning Authority. The boundary treatment shall include provision for hedgehog highways, and shall be completed in accordance with the approved details and retained thereafter.

REASON: To safeguard the character and appearance of the area, and improve opportunities for biodiversity.

- 9 Before the erection of any external walls, details of the provision of integrated bat roosting features (e.g. bat boxes/tubes/bricks on south or southeast-facing elevations) and integrated nesting opportunities for birds (e.g. house sparrow terrace, starling box, swift brick or house martin nest cup on the north or east-facing elevations) within the walls of the new buildings, and hedgehog gaps/holes under/through walls and/or fences, shall be submitted to the local planning authority for approval. The details shall include a drawing/s showing the types of features, their locations within the site and their positions on the elevations of the buildings, and a timetable for their provision. The approved details shall be implemented before the dwelling/s hereby approved is/are first occupied and thereafter permanently retained.

REASON: To provide new features for roosting bats and nesting birds, and ensure permeability for hedgehogs, as biodiversity enhancements in accordance with paragraphs 170, 174 and 175 of the National Planning Policy Framework, Policy EH3 of the West Oxfordshire District Local Plan 2031 and Section 40 of the Natural Environment and Rural Communities Act 2006.

- 10 No dwelling hereby approved shall be occupied until the means to ensure a maximum water consumption of 110 litres use per person per day, in accordance with policy OS3, has been complied with for that dwelling and retained in perpetuity thereafter.

REASON: To improve the sustainability of the dwellings in accordance with policy OS3 of the West Oxfordshire Local Plan 2031.

INFORMATIVES:

- 1 Please note works are required to be carried out within the public highway, the applicant shall not commence such work before formal approval has been granted by Oxfordshire County Council by way of legal agreement between the applicant and Oxfordshire County Council
- 2 The Surface Water Drainage scheme should, where possible, incorporate Sustainable Drainage Techniques in order to ensure compliance with;
 - Flood and Water Management Act 2010 (Part 1 - Clause 27 (1))
 - Code for sustainable homes - A step-change in sustainable home building practice
 - The local flood risk management strategy published by Oxfordshire County Council, as per the Flood and Water Management Act 2010 (Part 1 - Clause 9 (1))
 - Version 2.1 of Oxfordshire County Council's SUDs Design Guide (August 2013)
 - CIRIA C753 SuDS Manual 2015
