HIGH STREET
Proposal : New signage and decoration to shopfront. Internal fit out of existing Mistral retail unit - decoration and new fixtures. No structural alterations.
Observations : Witney Town Council has no objections regarding this application.
-
- 387- 5 WTC/123/21 Plot Ref :-21/02210/FUL Type :- FULL
Applicant Name :- . Date Received :- 28/06/2021
Location :- UNIT 1-5 AVENUE TWO Date Returned :- 21/07/2021
AVENUE TWO
Proposal : Change of use from General Industrial to Builders Merchant along with external alterations to include the demolition of unit 4 to form enlarged storage yard, associated landscaping and means of enclosure with formation of a new access.

Observations : Witney Town Council object to this application. The South West corner of the site is adjacent to the main pedestrian access to Witney Lake and Country Park. This important recreational facility is in constant use and the perimeter of this site neighbours the access point to the Public Footpath right of way for families, children and dog-walkers and is also a pedestrian route for school children. The 'IN' and 'OUT' as marked on the vehicle splays on drawing '14920 - 110K - PROPOSED SITE PLAN - A1' indicate that HGVs would cross the pavement at the 'IN' gates and that vehicles exiting at the 'OUT' gates have extremely limited space to join the highway safely. This highway danger is compounded by Avenue Two being regularly used for roadside parking, which would further limit manoeuvrability for large vehicles. Members request that these points are reviewed by the Highways Authority as well as the careful consideration of the Planning Officer. Based on the proposed layout, Witney Town Council would request that prior to occupation, the applicant submit further plans to be approved by the relevant authority, to improve the access to and allowing safe routes for all to access Witney Lake & Country Park.

Additionally, members noted that the highway adjacent to the site is a frequently used cycle route which links into the cycle network for Witney. Allowing HGVs to access the site on the quiet road on the Western boundary would pose a danger for cyclists using this route.

Witney Town Council does agree in principle to the redevelopment of this site and would rather welcome an application with a revised layout that includes the vehicular access being moved to the North of the site where it would be less of a safety risk for our residents using this important recreational space.

387- 6	WTC/124/21	Plot Ref :-21/02164/HHD	Type :-	HOUSEHOLDE
	Applicant Name :- .		Date Received :-	28/06/2021
	Location :- 3 WOODSTOCK ROAD WOODSTOCK ROAD		Date Returned :-	21/07/2021
	Proposal : Erection of a detached garage.			
	Observations : Witney Town Council objects to the application based on insufficient detail and inconsistent information on the drawings submitted for this application. Drawing 'Location Map' does not show any gap between the host dwelling and the North East boundary. However, drawing '3 Woodstock Road Garage Site Plan' clearly shows a gap between the host dwelling and the North East boundary. It is unclear how the proposed garage will be accessed.			
	Members do not object to the principle of development but are not able to provide a full response without consistent/accurate detail from the applicant.			

387- 7	WTC/125/21	Plot Ref :-21/01360/HHD	Type :-	HOUSEHOLDE
	Applicant Name :- .		Date Received :-	01/07/2021
	Location :- 38 DUCKLINGTON LANE DUCKLINGTON LANE		Date Returned :-	21/07/2021
	Proposal : Erection of a 1.8 metre fence along the side of property, dropping to 1.2 metres by the road.			
	Observations : While Witney Town Council does not object to this application, members noted concerns about changes to the streetscene and indicated that soft landscaping could also be considered, which would improve biodiversity.			

387- 8 WTC/126/21 Plot Ref :-21/02231/HHD Type :- HOUSEHOLDE
Applicant Name :- . Date Received :- 01/07/2021
Location :- 9 WOODLANDS ROAD Date Returned :- 21/07/2021
Proposal : Removal of existing pitched porch roof. Replace with a mono pitched roof.
Observations : Witney Town Council has no objections regarding this application.

Applicant Name :- . Date Received :- 06/07/2021
Location :- GATEWAY HOUSE Date Returned :- 22/07/2021
WINDRUSH PARK ROAD
WINDRUSH INDUSTRIAL PARK
Proposal : Erection of nine industrial units, to include external ancillary service areas, car and cycle parking.
Observations : Witney Town Council object to this application:

1) The plans do not illustrate safe on-site access for pedestrians or to the cycle facilities. West Oxfordshire Local Plan encourages active travel to work through Policy OS2, T1 and T3, members note that the proposed plan fails to make adequate provision of measures to encourage non-car modes of transport.

2) Members note the concerns of Thames Water and request an appropriate sustainable surface water strategy before approval is considered and that this approach be in line with the requirements as outlined in the relevant Planning and flood risk paragraphs of the NPPF. Further, that the identified 'inability of the existing water network to accommodate the needs of this development proposal' be fully assessed and considered.

3) Members note that the ground assessments have shown evidence of asbestos and other harmful contaminants present at the site. Witney Town Council request that to comply with Policy EH8, the report findings be given due consideration by Officers and an Asbestos Management Plan be submitted and approved ahead of works commencing.

4) The proposal locates buildings too close to the site boundary and misses an opportunity for soft landscaping buffers to be introduced.

5) The proposal does not include satisfactory provision towards meeting the needs of the declared climate emergency. Measures could include solar panels and electric vehicle charging points. Members welcome a revised proposal that more closely meets the environmental objectives as set out in the WODC Local Plan overall strategy and in particular, to comply with Policy OS3.

Witney Town Council does agree in principle to the redevelopment of this site and would rather welcome an application with a revised proposal that addresses the concerns outlined above.

Location :- 66 CORN STREET Date Returned :- 22/07/2021
CORN STREET
Proposal : Erection of a wooden summer house (Retrospective).
Observations : Witney Town Council objects to this planning application;

1) The proposal as outlined in the drawings, the design and access statement, and in its built form, do not match the description of development 'Erection of a wooden summer house'. The development appears to be a substantial building, separate to the host dwelling, it's design and described use an office/storage space. The current design and use are not akin to what would be expected from an ancillary summer house.

2) The design and materials fail to meet the requirements of Policy OS4 in terms of quality. Further, the site is within Witney and Cogges Conservation Area and in close proximity to a Listed Building, members expressed that consideration should be given to respecting this setting.

3) Members have shown concern for the scale of the proposed development in close proximity to the boundary and neighbouring properties, and ask that Officers pay careful consideration to any harmful impacts. Members discussed the current use of the space, which is unclear, and note the objection from a neighbour.

4) Members note the use of wooden cladding for the exterior and ask that Officers refer this to Building Control to ensure that relevant fire safety checks are conducted.
