

# Possible Schools Street solution

## Advantages

- Is on safety, schoolkids, encouraging walking and cycling
- No expenditure for signs and planters to block roads
- Provides safe pedestrian routes to all three schools without needing to cross roads
- Moves current parking chaos from three schools' drop-off and pick-up
- Drop-off points North and South of the Green
- Moves high-speed traffic going to Station Lane
- Temporary blockages that need volunteer work – 24/7 access to everywhere for post, deliveries
