Subject: RE: Witney TC - Youth Services Grant Update

Hi Adam,

...We experienced a delay at the beginning of the year due to ... Covid within Synolos affecting staff and students. The service is now inline to launch in June with 18 young people and counting on the waiting list.

The service has generated a lot of attention to date – reports from schools, young people and professionals in the NHS and Local authority are in applaud claiming there is nothing like this service locally – it's all very exciting...

All the best,

Kelly

Kind regards

Kelly Gough
