

FULL COUNCIL

Date:	Monday, 11 th April 2022
Title:	Health, Safety & Vandalism
Contact Officer:	Maintenance & Environmental Services Officer, Angus Whitburn

Background

This report offers an update on any health & safety matters and reported vandalism to the Council's estate and facilities. Further verbal updates from officers may be appropriate at the meeting.

Current Situation

Health & Safety

- One of the main signs for the lake has been moved closer to the entrance of Avenue Two.
- Barriers were purchased for the back of the stage in the Corn Exchange due to the dangers of injury as there is a gap where the new curtain is.

Vandalism

- A car drove across church green flowers on 2nd March.
- The bike repair stands have been vandalised multiple times.

Environmental impact

Having declared a Climate Change Emergency at its Council meeting on 26 June 2019 – with this in mind Councillors should have due regard to the environmental impact of any decisions they make regarding its facilities and services it operates.

Risk

In decision making Councillors should consider any risks to the Council and any action it can take to limit or negate its liability.

Financial implications

The items above have been covered from existing health & safety and maintenance budgets.

Recommendations

Members are invited to note the report.
