

Re: SNN2022164 Large Development Witney Phase 2E

I have received an application to address a new development of 62 homes, planning application number 21/03716/FUL – Witney Phase 2E.

The plan is to allocate 1 new street names to the development and if you are in agreement we would like to continue the existing “Aerodrome Theme” given by yourselves to the previous phase in this development. The attached plan shows the new proposed street –Pink and the two existing streets Centenary Way (Red) and Spitfire Drive (Yellow).

If you are happy to continue this theme , please provide an new street name for the developers approval.

Would you kindly come back to me by Monday 24th October with your thoughts and any proposals, which I will relay to the developer for discussion.

Thank you for your assistance.

Kind regards

Tania Cole
Address Management Officer
West Oxfordshire District Council
